**Wny:** This one-day class will dive into the divisions we place between God and Nation. The goal is not to advocate for any politician or for any political party (Lord knows they all have their faults). Rather, the goal is to prepare us for living in that conflict and for being faithful to Christian values. In preparation for an upcoming Election Day (Nov 2nd) or for an upcoming political debate with a friend (which could happen tomorrow), we need to know how our faith ought to drive our political leanings.

the community may be obvious, a little helping nudge can go a long way. Service in the church focuses on community coming together in mercy and compassion for others. Service in the worship service can be a variety of things that are either up front or behind the scenes. Remember: God doesn't need your good works, but your neighbor does!

**Why:** This fellowship event is designed to be a serve-the-community type event. A kids' maze will be constructed in the back yard of the parsonage, with promotional signs on the outside of the fence. Kids will begin at one gate and end at the next. The parking lot (alley behind the church) will be closed by the Village for safety. Firepits, hot dogs, and hot apple cider will make it a great stop before, during, or after going out to Trick or Treat. In conjunction with this event will be a collection of **Candy for the Troops** running from The Day of the Deployed (Oct 26th) through Veterans Day (Nov 11th). People wishing to donate excess candy after Halloween, and parents who might want to instruct their kids to pick out a limited number of candy from their bounty, can donate excess candy to be sent to the Troops.

#### **Recurring Events:**

Who: Anyone	What: Worship & Bible Class	Code: MM-WBC#
Where: Sanctuary @ Trinity	When: Every Sun (9-11:30am)	

**Why:** This event is the main event of Christianity, following the crucifixion and resurrection of Jesus (that is). His death bears the punishment for the sins of the whole world throughout time, and his resurrection proves it. The worship service is our participation in shaping our faith through the promises and gifts of God. Christians are saved by Grace alone (Sola Gratia), through Faith alone (Sola Fide), in Christ alone (Solus Christus), according to Scripture alone (Sola Scriptura), for the Glory of God alone (Soli Deo Gloria). This is a personal relationship, but it is not a private one. We join in community as "the church" to witness to this saving faith in mutual consolation of one another. Because participation in the local congregation is central to the Christian life, Confirmands are required to meet a simple attendance requirement. Confirmands are required to have 80% attendance during 4 different quarters in both worship and Bible class (10 out of 12 session). This benchmark will be flexible for youth whose parents split custody. Those not in confirmation should still strive for this goal each quarter. During COVID, attendance can be registered for "live" online worship if the confirmand completes a Worship Worksheet to show evidence of their engaged participation.
